Subject/ Complaint

Peace be upon you and God's mercy and His blessings.

All praise is due to God, and peace and prayers be upon Seal of the Prophets. And as to what follows:

We raise a complaint to you against brother Abu Mawaddah al-Muwahidah, who came to us with an offer of medicines available inside the territory of the Islamic State for the purpose of selling them to us. Then, we transferred him to brother Abu 'Abdul-Rahman al-Shami, as he is responsible for the purchases. When we met with brother Abu 'Abdul-Rahman, he told us that he had met brother Abu Mawaddah and offered him to sell medicines at a value of 50% above the company's price, as he had purchased them at a price of 40% more than the company's price from its owner, who lives outside the lands of the Islamic State, according to his claim.

After Abu Mawaddah was transferred to the Emir of the Center (Abu Muhammad al-Urduni) to see the matter, it became clear to him that there was a great contradiction in Abu Mawaddah's words. Then, he was transferred to us to make a deal with him on the percentage he wanted, after proving his ownership of the medicine through the judiciary. At this point another matter became clear to us, which is that we had previously agreed to purchase these from another person, who has permission to sell them from the owner of the medicine, at the company's price and without extra percentage. And after we were told that the medicines... [I think the rest of the complaint text is available in another page].
