Subject/ Transferring a Case

Peace be upon you and God's mercy and His blessings.

In response to your letter related to sister [REDACTED] complaint:
We inform you of the following: The procedure followed in the maternity hospital is to charge 1,200 Shami [Syrian] lira as the cost of the C-section operation if the patient is able [to pay] (not holding a zakat card).
But if the patient claims that he does not have money, we provide him with the required medical services, and we are satisfied with keeping the ID card until the money is collected.

And may God reward you the best.
